

Math in CTE

June 25-27, 2018 from 8:30am – 3:30pm
at Clackamas ESD

This workshop is for CTE Teachers and a partner Math Teacher. The workshop will focus on the national, research-based model of Math-in-CTE Instruction.

Partners will collaborate to:

- Develop and sustain a community of practice
- Understand math as an essential workplace skill
- Elevate the level of mathematics instruction into CTE courses
- Develop math enriched lessons within CTE Courses

Presenting Partners

Tonya Boustead, Canby High School
Ken Muraoka, Portland Public Schools

Workshop Details

- * Lunch and snacks will be provided
- * CTE Teachers, and their partner Math Teacher, will each receive a \$500 stipend.
Please contact Sarah if you want to attend, but are unable to find a Math Teacher

Registration Information

Register at: <https://events.clackesd.org/public/Course/browse?courseid=2650>
\$50 Registration Fee
